

# Accutome B-Scan Plus®

B-Amazed...HD Imaging at Your Fingertips.

Accutome B-Scan Plus 24-6100

The B-Scan Plus' proprietary software combined with unique probe electronics make it the only portable High Definition B-Scan which is reliable and easy to use.

- **Image is Everything**

0.015 mm resolution is the highest in the medical industry.

- **State-of-the-Art Probe Design**

Sharper, more focused images due to the elimination of signal loss.

- **Unsurpassed Data Analysis**

Contains 4 useful measuring tools along with corresponding A-Vectoring for diagnosing ocular pathologies.

- **"Smooth Zoom" Technology**

The only unit with 2x full image zoom without distortion of real-time or captured scans.

- **Portable**

Plug probe into any laptop or PC and go.\*

\*certain computer specifications required. Call for more information.

- **Never Miss an Image**

Unlimited 34 second film loops.

- **Share Information Easily**

Adaptable document transfer via EMR, email or printer.

- **Compact File Storage**

Unsurpassed by the competition.

- **Protect Your Investment**

Easily upgradeable software.

- **Master in Minutes**

User-friendly interface makes user manuals and quick start guides unnecessary.

*"The Accutome B-Scan Plus has been a wonderful addition to our general ophthalmology practice and our retina specialist. It is highly portable, easy to use, great resolution, and very cost effective."*
